

Antara Paul

About me

I try to explore around going beyond my comfort zone to feed my visual vocabulary.

Scholastics

- MVA in Creative Sculpture from Faculty of Fine Arts, M. S. University, Baroda.
- BFA in Sculpture from Govt. College of Art and Craft, Calcutta.

Orientation

Contextual observation has been driving the core aspect of my work leading to a fundamental enquiry into visual interpretation. Besides I take interest in learning new techniques that help in experimentation with medium, form, surface, texture, material etc.
